PARENT AGREEMENT

I have reviewed the details of the dress code contained in the Parent Newsletter. I will speak and listen to my son/daughter concerning this change in dress code for the upcoming school year. I understand that the goals of the QND dress code are based on modesty, Christian values, and high standards/high expectations for behavior and appearance.

If necessary, I will bring a change of clothes for my son or daughter if the issue is modesty. I understand that QND and its administration will not allow a student to remain in an immodest/inappropriate outfit for the entire school day.
