

QUINCY NOTRE DAME HALL OF FAME

The Quincy Notre Dame Hall of Fame Committee seeks information on former students, coaches and teams worthy of Hall of Fame status. We can consider inducting former athletes if we have information about their accomplishments.

If you have a scrapbook or old newspaper clippings, you can make our job easier and more thorough. Also, anyone can nominate someone—the nominee has to have graduated in 1999 or before. We already have a substantial list of nominees—what we need is background information to support their accomplishments.

Please direct any information you may have for the Quincy Notre Dame Hall of Fame by calling or writing Bill Connell, (217) 223-2509, 1400 South 11th, Quincy, IL 62301, or by giving this nomination form to a member of the Hall of Fame Committee.
