

THE CAMPAIGN FOR QUINCY NOTRE DAME

East Courtyard

Progress Report

Greetings from the Quincy Notre Dame Foundation. As you know, we recently launched the public phase of The Campaign For Quincy Notre Dame. Behind the scenes, we have been preparing for this campaign for the past four years and began fundraising almost two years ago.

It is because of your support and the hard work of our campaign leadership that I am excited to announce we have currently secured pledges over \$5,725,000 towards our \$6,000,000 goal. I am convinced that we can raise the remainder through prayers, encouragement and support from our QND community.

It is exciting to see this expansion become a reality as we have completed the bathroom renovations, constructed the athletic concourse and upgraded the HVAC system. The electrical upgrades and construction of the east courtyard that includes new science labs, classrooms, guidance offices, principal's office and conference room is well under way and will be ready for the 2018-19 school year.

I am sincerely grateful that you made the decision to partner with us in our campaign and assist us in continuing the mission of Quincy Notre Dame. You are welcome to visit campus and see for yourself the exciting progress.

With Raider Pride,
Kurt E. Stuckman '91
