THE CAMPAIGN FOR QUINCY NOTRE DAME

Capital Campaign Groundbreaking Ceremony June 9, 2017

The Quincy Notre Dame Foundation announced the launch of the public phase of The Campaign For Quincy Notre Dame at a groundbreaking ceremony on June 9, 2017, with a goal of \$6 million to expand and revitalize the school. Behind the scenes, the QND Foundation has been preparing for this campaign for the past five years and began fundraising more than two years ago.

“We had a choice to keep advancing QND in the right direction or fall behind; clearly, the choice was an easy one for us,” said Mark McDowell, QND principal. “We see much advancement in the areas of STEM (Science Technology Engineering and Math) and feel QND is moving in the right direction to implement those advancements.”

It is exciting to see this expansion become a reality with the completion of the bathroom renovations, athletic concourse and upgraded HVAC system. The electrical upgrades and construction on the east courtyard that includes

new science labs, classrooms, guidance offices, principal’s office and conference room are well under way and will be ready for the 2018-19 school year.

Because of generous support and hard work by our campaign leadership team, the QND Foundation has currently secured pledges over \$5,800,000. Through prayers, encouragement and continued support from our community, it is the hope of the Foundation that the campaign will finish out strong.

“This project marks a huge step forward for QND. It’s an investment into the futures of each and every student that will walk these halls and sit in these classrooms,” states Drew Tushaus, QND junior. “These upgrades and additions will enhance our QND experience and provide new learning opportunities and is a legacy that I’m eager to leave behind. I want every Raider to receive the best possible education and this capital campaign will help ensure that.”

QND HIRES A DIRECTOR OF CHRISTIAN FORMATION

A significant component of Quincy Notre Dame's Long Range Strategic Plan is Catholic Identity. In recent years, it became clear to the Catholic Identity Committee and QND's Board of Directors that expanding the role of Campus Minister was a top priority. Therefore, with the beginning of the 2017-18 school year came a new position that is critical in expanding our students' faith formation and outreach opportunities. Mr. Mike Young '98, a religion teacher at QND, was hired as Director of Christian Formation.

Our students have a variety of religious activities to participate in including: Hands and Feet of Christ, Catholic Heart Workcamp, National Catholic Youth Conference, Right to Life March, Tuesday and Thursday before school Masses and monthly all-school Masses. Along with these activities, Young has created the St. Joseph of Arimathea Society (SJAS) and the Melchizedek Project this year. SJAS is a club that provides pall bearer services for those

National Catholic Youth Conference

who die in our community with little or no family and friends. The Melchizedek Project is a small group study for young men who are exploring the potential call to the Catholic priesthood.

NEW STUDENT CLUBS AT QND

Funding received from the Quincy Notre Dame Foundation has enabled the organization of a Robotics Club at QND with the purchase of two robots. The robots are constructed and programmed by the students and entered into tri-state competitions. The Robotics Club is a great way to boost students' problem-solving skills, teamwork, creativity and technical knowledge in an engaging, collaborative way.

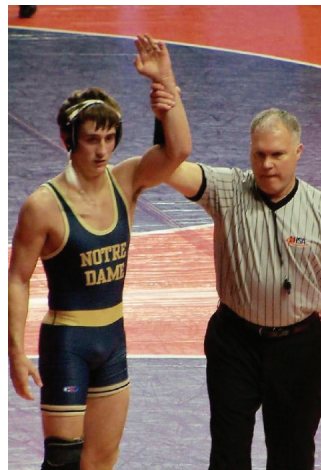

QND also formed a Career Exploring Club which is part of Learning for Life, an affiliate of the Boy Scouts of America, and is sponsored by the Quincy Noon Kiwanis. Quincy Kiwanians meet with the club on a regular basis to discuss their profession which provides students the opportunity to learn about a wide variety of career fields and network with professionals. The mission of the QND Career Exploring Club is to deliver character-building experiences and mentorship that allow youth to achieve their full potential in both life and work.

QUINCY NOTRE DAME FOUNDATION

Providing the Means to Keep Tuition Affordable

MESSAGE FROM EXECUTIVE DIRECTOR

Quincy Notre Dame experienced one of the most exciting years in school history in 2017, from celebrating our 150th anniversary to publicly kicking off the largest fundraising campaign in the history of our school. In June of 2017, the QND Foundation announced a \$6 million campaign.

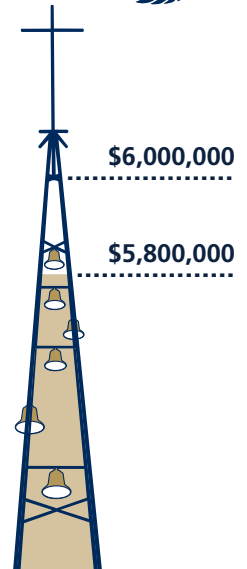

Through The Campaign For Quincy Notre Dame, we have been able to begin construction on our new science labs, classrooms and offices, renovate restrooms and construct an athletic concourse. To date, we have secured pledges over \$5,800,000 towards the campaign.

One consistent message I share with people is how fortunate we are to have loyal donors who faithfully invest in our school. We continue to be tremendous stewards of these gifts which allows us to remain a debt-free school.

Thank you for your continued support and I encourage you, if you have not already done so, to invest in the The Campaign For Quincy Notre Dame and assist us in continuing the mission of QND.

I wish you all the best in 2018!

Kurt Stuckman '91 *QND Foundation Executive Director*

RAIDER PRIDE PLANNED GIVING SOCIETY

Donors who arrange to benefit QND through planned gifts provide transformational support enabling our high school to provide a Catholic secondary education to future generations. The Raider Pride Planned Giving Society was created to honor individuals who have shown a special commitment to QND through gift planning.

Those in the Raider Pride Planned Giving Society recognize that leaving a lasting legacy is vital to the future of our

school. QND is extremely grateful to the current members and have their names listed prominently in the front lobby on our Raider Pride Planned Giving Society recognition board. Should you want to join this elite group and leave a lasting legacy, please contact Kurt Stuckman '91 at (217) 224-2598.

CLASS OF 1967 ENDOWS SCHOLARSHIP

The Class of 1967 recently banded together to endow a scholarship to remember their class with the goal to pay it forward to future students of QND. The Class of 1967 has raised over \$11,608 to be invested and dividends from those funds will go toward tuition assistance for current QND students.

“Class scholarships have continued to play a pivotal role in the QND Foundation’s ability to grow our scholarship portfolio and maximize the tuition funding opportunities for our students,” stated Executive Director Kurt Stuckman '91.

The QND Foundation manages over 100 endowed scholarships awarded on an annual basis. Endowed scholarships last in perpetuity

and are woven into the fabric of what QND stands for. Should you have an interest in endowing a scholarship for your class or family, do not hesitate to contact Kurt Stuckman in the Foundation office at (217) 224-2598.

2017 QND FUND DRIVE

QND Fund Drive Co-Chairs, Rich Marcolla and Jared Haugh '90, announced that the 2017 Fund Drive raised \$463,175, exceeding its goal by more than \$29,000.

Allison Hutson '17 was the student speaker at the 2017 QND Fund Drive Kickoff Breakfast and used the opportunity to thank those gathered for their commitment to QND.

“Only a few short years ago, I could only dream of being a student at QND. At the time, I did not fully recognize and appreciate how attending Quincy Notre Dame was such a precious gift in living our Catholic faith. Paying tuition is just the start of the journey at QND,” stated Hutson. “I want to tell you how much I appreciate the opportunity you have given me and all of the students at QND. Your generosity is helping prepare to someday pay it

forward to the next generation of QND students. Please understand that your kindness does not go unnoticed.”

The QND Fund Drive, which makes up over 80% of the Foundation’s fundraisers, keeps tuition affordable by paying a portion of the school’s operating expenses to close the gap between the cost to educate and student tuition. The drive also provides financial assistance to students. Over the past 40 years, more than \$12 million has been contributed to QND’s Fund Drive.
