QND HIRES LEARNING SPECIALIST/COORDINATOR FOR 2016-17 SCHOOL YEAR

With the beginning of the 2016-17 school year came a new position that is critical to the educational development of our students at Quincy Notre Dame. Mrs. Karen Harris was hired as a Learning Specialist/Coordinator to assist QND students who needed additional educational assistance. Harris spent 25 years working within the Quincy Public School System, as a special education teacher, before retiring at the end of the 2015-16 school year.

"We have to constantly and consistently evaluate our students' needs through the educational process. Through data collection and other research, we determined this was a necessary and vital position within our school. We are very excited to have someone with Karen's expertise on staff here at QND," stated QND Principal Mark McDowell '95.

QND COMPUTER LAB RENOVATED INTO A DEDICATED CHORAL SPACE

Quincy Notre Dame's room 17 has been used for many things over the years including a student lounge, shop class, typing classroom and most recently a computer lab. With the progression in the performing arts department under the direction of Mrs. Monica Scholz and Mr. Keith Wiemelt '97, the program has grown exponentially. It has flourished so much that two separate spaces, one for band and the other for chorus, were necessary.

Through a grant received from the Quincy Service League, funds provided by the QND Foundation and funds honoring the memory of Zak Haubrich '12, the room was completely renovated into a dedicated, spacious choral space. "When you walk into the choral room it truly shines. It is a beautiful set-up and I could not be happier to be able to help provide a dedicated area for our choral students," stated QND Foundation Executive Director Kurt Stuckman '91.

ILLINOIS STATE SCHOLARS

Quincy Notre Dame had 14 students from the Class of 2017 recognized as Illinois State Scholars. The Illinois Student Assistance Commission gives the prestigious award annually. Winners rank in the top 10 percent of high school seniors throughout the state. Selection is based on a combination of exemplary ACT or SAT scores and class rank at the end of junior year.

The 14 QND students include (from left to right) top row: Hannah Weiman, Samantha Tracy, Katherine Bickhaus, Zoey Little, Nathan Tyrpin; middle row: Amanda Dreyer, Emily Obert, Leah Murfin, Lucy Stella, Spencer Kroshinsky; bottom row: Andrew Goerlich, Angela Halter, Renee Cafun, Emily Goerlich

QND LAUNCHES MERIT PAY FOR TEACHERS

Quincy Notre Dame is dedicated to providing high quality education and focuses on curriculum, instruction, assessment and professional development for our teachers. Two years ago, the first step taken to address the ever-changing world of education was hiring a Dean of Academic Services. Diane Kasparie was hired and has been providing professional development for our teachers to strengthen methodology and assessment with a more in-depth focus on 1:1 learning in the standards-based classroom. Now that there is a method in place for measuring criteria, a merit pay program has been developed and implemented this year for teachers to recognize their instructional performance and student achievement growth within their classroom. QND will continue to realize the tools and means to provide the best secondary Catholic education to our students.

FACELIFT TO FERD NIEMANN JR. MEMORIAL BALLFIELD COMPLETE

As part of the Quincy Notre Dame facilities portion of the long-range plan, Ferd Niemann Jr. Memorial Ballfield received a facelift that will impact students and the community for years to come. New state-of-the-art synthetic turf was installed on the infield, along with a new seamless backstop netting system, permanent seating behind home plate, grading and re-sodding of the outfield and a new scoreboard. "This enhancement to the field makes Ferd Niemann Jr.

Memorial Ballfield the premier place to play high school baseball in the area," said QND Foundation Executive Director Kurt

Stuckman '91. The field enhancement was made possible through private donations managed through the QND Foundation.

Providing the Means to Keep Tuition Affordable

MESSAGE FROM EXECUTIVE DIRECTOR

As Quincy Notre Dame celebrates its 150th anniversary, we are focused on planning for the next 150 years and beyond. We have experienced a great deal of success in so many ways and we should all be proud of the terrific school we have collectively built. Over the last 10 years, the QND Foundation has invested over \$4.2 million into capital projects and programs for our students. These dollars are not attributed to the Fund Drive or tuition increases, the funds came from you, our loyal alumni, family and friends and for that we are very grateful!

Raider Pride Planned Giving Society

As we look toward sustaining Quincy Notre Dame over the next 150 years, one major component is planned gifts to the QND Foundation. Planned gifts provide transformational support enabling our school to continue Catholic secondary education to future generations. The Raider Pride Planned Giving Society was created to honor those individuals who have shown uncommon commitment to Quincy Notre Dame through gift planning.

A planned giving recognition plaque has been constructed in the front lobby of Quincy Notre Dame to show appreciation to everyone dedicated to QND by making this commitment. Please contact me for more information and to be recognized for supporting the mission of our school through planned gifts. Thank you for your continued support as we grow QND together!

RECENT UPDATES AT QND

After more than 20 years, Quincy Notre Dame's gymnasium, The Pit, received a makeover with a fresh coat of paint. The redesigned color scheme reflects the school colors of QND. This fall, a video advertisement board was added to The Pit.

A brand new state-of-the-art sound system was installed on Advance Physical Therapy Field. The previous system had been in use since the early 90's and was no longer

meeting the needs of QND. The new sound system working in unison with the new video scoreboard allows us to do so many more exciting things before, during and after sporting contests and other events.

Last spring, Quincy Notre Dame purchased two brand new activity busses to transport students safely to various events in our community and around the state. The previous activity busses were more than 15 years old with well over 100,000

miles making it critical to upgrade to ensure the well-being of those using them.

The Quincy Notre Dame Foundation invested funds to facilitate the repainting of the bell tower base and bells. The QND Foundation also recently purchased the property at 826 Jackson Street to help ensure the future of QND by expanding our footprint.

We appreciate your continued support of our Quincy Catholic Schools.

QND FUND DRIVE

QND Fund Drive Co-Chairs, Pat Hibbeler '70 and Richard Marcolla, revealed that the 2016 Fund Drive exceeded its goal by more than \$25,000 at the Volunteer and Donor Appreciation Gathering on June 9, 2016.

“The Fund Drive is vital for QND. Quincy Notre Dame has been extremely important in my two daughters’ lives and the teachers have done their best to prepare them for the complicated world we live in. This drive allows QND to help the young people in our area receive a faith-based education,” stated Marcolla. “It continues to be a great environment to develop future leaders for our community.”

The QND Fund Drive, which makes up over 80% of the Foundation’s fundraisers, keeps tuition affordable by paying a portion of the school’s operating expenses to close the gap between the cost to educate and student tuition. The drive also provides financial assistance to students. Over the past 39 years, more than \$12 million has been contributed to QND’s Fund Drives.

RAYMOND E. HEILMANN LEGACY SOCIETY

The Raymond E. Heilmann Legacy Society honors Ray for the years of support and dedicated service given to QND and the Quincy community exemplifying what living the Catholic faith means. By donating a gift of \$1,000 or more to the QND Fund Drive, the following became 2016 members.

CLASS OF 1966 ENDOWS SCHOLARSHIP

The Class of 1966 recently created a legacy by endowing a scholarship to honor their class. Classes continue to embrace the impact that QND has had on their lives and look for ways to "pay it forward." The class of 1966 has raised over \$9,500 to be invested and dividends from those funds will go toward tuition assistance for current QND students.

"We are grateful to all of the classes that have started scholarships. To date, the QND Foundation has invested over \$213,000 into the scholarship portfolio to benefit our students with tuition assistance," stated Executive Director Kurt Stuckman '91.

Endowed scholarships last in perpetuity and are woven into the fabric of what QND stands for. Should you have an interest in endowing a scholarship for your class or family, do not hesitate to contact Kurt Stuckman in the Foundation office at (217) 224-2598.
