## **MISSION STATEMENT:**

**Founded on Catholic values, Quincy Notre Dame High School educates lifelong learners for lives of service.**

### **Memorare**

Remember, o most gracious Virgin Mary, that never was it known that anyone who fled to your protection, implored your help, or sought your intercession was left unaided. Inspired with this confidence, I fly to you, O Virgin of Virgins, my Mother. To you I come, before you I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in your mercy, hear and answer me. Amen

### **Hail Mary**

Hail Mary full of grace, the Lord is with thee, blessed art thou among women and blessed is the fruit of thy womb Jesus, Holy Mary Mother of God pray for us sinners, now and at the hour of our death, Amen.

### **Our Father**

Our Father who art in Heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil. Amen.

### **Glory Be**

Glory be to the Father, and to the Son, and to the Holy Spirit. As it was in the beginning, is now, and ever shall be, world without end. Amen

## **SCHOOL SONG (NOTRE DAME FIGHT SONG)**

**CHEER, CHEER FOR OLD NOTRE DAME  
WAKE UP THE ECHOES CHEERING HER NAME,  
SEND OUR LOYAL CHEER ON HIGH,  
SHAKE DOWN THE THUNDER FROM THE SKY.  
LET ALL THE ODDS BE GREAT OR SMALL,  
OLE NOTRE DAME WILL WIN OVER ALL,  
WHILE OUR LOYAL TEAMS ARE MARCHING  
ONWARD TO VICTORY!**

**NICKNAME: RAIDERS  
SCHOOL COLORS: BLUE AND GOLD**

The Student Handbook contains an outline of general rules, guidelines and expectations for students at QND. The principal of Quincy Notre Dame High School and/or the Board of Directors have the right to amend or change the policies contained in this handbook at any time.

## STATEMENTS OF PHILOSOPHY

The Board of Directors, the Administration, and the Faculty welcome you. We hope that your secondary education will be successful and memorable, and that you will be conscious of the traditions and requirements of Catholic secondary education in Quincy. Your experience at Quincy Notre Dame ("QND") will be whatever you make it. Let us always have the spirit to do the things which will make it outstanding.

### ACCREDITATION STATEMENT

QND is recognized by the Illinois State Board of Education and accredited by the Advance Ed/North Central Association of Secondary Schools and Colleges.

### GOALS

In accordance with the teaching mission of the Church, QND endeavors to promote spiritual strength, academic excellence, social and leisure skills, and responsible citizenship in a Catholic Christian atmosphere.

Religion classes are required of all students in order to reinforce knowledge of Catholic doctrine and worship. Campus Ministry and the QND community provide religious experiences and encourage the development of Christian ideals, attitudes, values, commitment and service.

The competent, dedicated faculty of QND assists students to achieve academic success commensurate with their abilities and challenges them to develop their talents, recognize their limitations, think constructively and reason independently.

QND provides opportunities in class and school activities for interaction between students and adults. A variety of intellectual, physical and aesthetic extra-curricular activities enables students to develop career awareness and to enhance social and leisure skills for current and future life.

This Christian academic environment at QND fosters respect for the American heritage, awareness of the responsibilities and privileges of citizenship, and an understanding of the individual's role in promoting a just society both locally and globally.

### PHILOSOPHY OF QUINCY NOTRE DAME

QND, as a Catholic co-educational school, seeks to build a community of learners among its faculty, staff, students and parents. Founded on faith in God and trust among its members, this community strives to make Catholic values an integral part of its existence. QND fosters an environment of consideration and acceptance, while challenging its members to develop their potential through strong educational and extracurricular programs. QND strives to prepare its students to assume vital Christian roles in a constantly changing world.

## ADMINISTRATION

The Principal, Academic Dean of Curriculum & Instruction, and Dean of Students / Athletic Director are responsible for the administration of the school. They in turn are responsible to the Board of Directors.

- **Principal** - As educational leader in the school, the Principal assumes a four part role: administrating, supporting, coordinating and initiating. The Principal, with the help of the Board of Directors, fellow administrators and faculty, establishes all school policy in academic, athletic, extra-curricular and other related areas. The Principal facilitates communication between the school and the public, students, faculty, staff, parents and community. In addition, the Principal supervises instruction, staff, finances, cafeteria and health services. The Principal is responsible for hiring and dismissal of faculty and staff with concurrence of the Board of Directors.
- **Academic Dean of Curriculum and Instruction** - The Academic Dean of Curriculum and Instruction promotes academic excellence by providing professional development and support to ensure the continuity of the instructional program. The Academic Dean directs the development, assessment, and revision of curriculum based on state, local and diocesan standards, directs and implements collection and analysis of data to promote student progress and achievement. Additionally, the Academic Dean guides the school through state evaluations and the accreditation process as well as other assessment and evaluation processes.
- **Athletic Director/Dean of Students** - The Director of Athletics is responsible for the planning, supervision, and management of activities, committees and projects aimed at building the best all school athletic program possible at QND. Duties include athletic duties, fundraising and public relations. This person functions as a member of the Administrative Team and is directly responsible to the Administration. As Dean of Students, the Athletic Director is responsible for discipline for all students.

## QND ADMISSIONS POLICY

QND admits eligible students of any race, color, gender, national origin, ethnic origin, and disability, which can be reasonably accommodated, in the administration of its educational policies, admission policies, scholarships and loan programs and athletic and school administered programs.

The minimum age for admission is 13 years of age for ninth grade. The student must have passed eighth grade. The maximum age of 19 years of age is mandatory for a student seeking admission as a senior.

For all applicants, the following information will be taken into consideration for possible admittance to QND:

- Placement test results
- Previous academic records
- Previous attendance records
- Previous behavior records

**Students with disabilities will be accepted on a case-by-case basis in order to evaluate the capacity of the school to meet the needs of the student. Additionally, students from a non-certified private school or from a home school environment will also be accepted on a case-by-case basis.**

If the information gathered indicates that QND does not have the educational program which best serves the needs of the student, the student will not be accepted.

**QND accepts students of other faiths for admission. However, if enrollment is close to capacity, QND will give preference to Catholic students registered in an area-wide Catholic parish.**

**Students will be taught the teachings of the Catholic Church as part of the curriculum. In choosing to attend QND, parents pledge their full cooperation to the school in preparing our students to be disciples of Jesus Christ. It is our collective responsibility to nurture students in their faith journey at QND.**

Once admitted to QND, continued enrollment in the school shall be based upon the fulfillment of all academic, financial and other required obligations of both students and parents.

## FINANCIAL POLICY

Students whose tuition payments or resource fees are not current may incur the following:

1. Delinquent at the end of each quarter = removal from RenWeb and withholding of report card/diploma
2. Delinquent at the end of the 1<sup>st</sup> semester = non-enrollment for 2<sup>nd</sup> semester
3. Delinquent as of June 30 = non-enrollment status for the next school year
4. Students with delinquent accounts will be ineligible to participate in extracurricular events as defined by the school's administration.
5. Accounts more than six (6) months past due will be turned over to Quincy Notre Dame's designated collection agency or legal representative. Student(s) will be given non-enrollment status until the balance of outstanding debt is paid in full.
6. Families with divorced or separated parents, each of whom accepts responsibility for a percentage of tuition and fee payments, must select one of the three Tuition Payment Options below. If one parent fails to fulfill his or her payment obligation the other parent must assume financial responsibility for this debt. All charges must be kept current in order to avoid a delinquent account.
7. For families that have a delinquent account related to a previous student; no other student will be enrolled from such family until the debt is paid.

### Tuition Payment Options:

1. Pay full cost to educate
2. Pay current tuition cost
3. Finance tuition with Quincy Notre Dame's designated bank

### Tuition/Fee Refunds

Tuition/Fees are NON-REFUNDABLE. Students who leave Quincy Notre Dame, for any reason, will be awarded tuition refunds on a graduated scale based upon the date of withdrawal (SEE BELOW). Delinquent accounts will be turned over to Quincy Notre Dame's designated collection agency or legal representative.

- Students who transfer within the first academic quarter will be given a 75% tuition refund.
- Students who transfer within the second academic quarter will be given a 50% tuition refund.
- Students who transfer within the third academic quarter will be given a 25% tuition refund.
- Students who transfer within the fourth academic quarter will NOT RECEIVE A TUITION REFUND.

Tuition due to bank must be current based on above scale at the time of withdrawal. Delinquent account of transferring students will be turned over to Quincy Notre Dame's designated collection agency.

Second Student Discount - There is a \$100 reduction in tuition for the second student.

Third Student Tuition Waiver - A parent who is paying tuition for three or more students enrolled at QND at the same time may be eligible for the third student tuition waiver.

Foreign Exchange Tuition Policy - Foreign exchange students are responsible for paying tuition, all book fees, student activity fees and registration costs. QND reserves the right to limit the number of foreign exchange students. *Foreign exchange students are not eligible for tuition assistance.*

## EDUCATIONAL PROGRAM

The curriculum of QND is structured to provide each student with the opportunity to fulfill educational, spiritual, and emotional needs. Materials and methods are utilized with the welfare of the student in mind. The library and departmental resources provide for in-depth study in all areas. Students are counseled in the selection of an overall program as well as in the selection of courses within a department. Details of the curriculum offerings will be found in the Course Catalog.

## ACADEMIC REQUIREMENTS AND PROCEDURES

Academic Probation - For those students who have displayed a serious deficiency in a number of subjects, the counselor may meet with parents and an administrator and construct a formal agreement defining the academic expectations for a specified period of time. Failure to meet the requirements of the contract may mean dismissal from QND.

Promotion and retention of students are directly related to earning the required number of credits each year and the ability, in cases of failure of a class or classes, to pass courses through summer school enrollment, approved correspondence courses through a university program or educational enhancement corporation, or addition(s) to the next semester's student schedule of classes.

## COMMUNICATION

Parent/Teacher. Parents are encouraged to communicate with teachers about their child's education at QND through a number of methods: (1) personal call, (2) voice mail, (3) e-mail, (4) letter, or (5) a planned conference at the school.

Teacher/Parent. Teachers may inform parents through deficiency notices, phone calls, e-mails, or memos if the student is experiencing academic difficulties. Teachers may also request a staffing at which a counselor and/or an administrator may be present.

Parents, guardians, and teachers may contact members of the Administrative Team at any time through the communication devices listed above.

Visits to Classrooms. Parents/Guardians must contact an administrator concerning a visit to any classroom during the school day. There must be a reasonable amount of time to allow for such scheduling.

## COURSE REQUIREMENTS AND GRADES

At the beginning of the senior year, each senior who is at risk and his or her parent will receive a listing of graduation requirements which must be completed by the end of the senior year in order for the student to be eligible for graduation. Students failing any course required for graduation or semester will meet with their guidance counselor as necessary and set forth in the school policies.

## VOCATIONAL-TECHNICAL COURSES

- A. Students in Vo-Tech are required to follow the dress code while in school at QND.
- B. QND students who take classes at the Quincy Vocational Technical Center (Vo-Tech) must return to QND by the designated time for classes, and/or study hall.
- C. All students will be required to check in at a designated place and time upon their return to QND. This check-in time is mandatory no matter what schedule QND is following. Late returns to QND will be unexcused absences. (Please refer to the policy regarding tardies found in the beginning of this Handbook.)
- D. Students who are enrolled in Vo-Tech classes at QHS are responsible for attending those classes if QND is not in session. If there is a conflict between a QND class and a Vo-Tech class, the student must consult with the Guidance Counselor to resolve the conflict. The Guidance Counselor will then notify QHS officials.
- E. Students need to finish uncompleted projects for Vo-Tech on their free time.

## PROGRESS REPORTS AND REPORT CARDS

- A. Progress reports are given to all students at mid-quarter. Parents are notified of the distribution date of these reports though email. Each semester average stands on its own merits. It is not averaged with the other semester average. If a student fails the first semester in a course, he/she does not earn a half credit for that semester of the course.
- B. A report card will be given every nine weeks and a grade recorded for each course in which a student is enrolled. Grades for dual credit classes through Quincy University and John Wood community College are communicated on a semester basis. At the end of the first quarter, Parent-Teacher conferences are held for the distribution of report cards. Report cards will be mailed home or given out by homeroom teachers for the other three quarters.

## GRADE SCALE - FINAL GRADES WILL BE MARKED A, B, C, D, F, W, WP, WF.

Weighted grades will determine class rank.

A = 93 to 100%	B = 85 to 92%	C = 77 to 84%	D = 70 to 76%	F = below 70%
P = Passing	W = Withdrawn	WP= Withdrawn Passing	WF = Withdrawn Failing	

F = An F appears on the transcript and also becomes part of the cumulative average of the student.

I = Incomplete If a student, because of illness or other extenuating circumstance (as determined by the Administration), does not complete a portion of a course in the allotted time (end of quarter), the student may have approximately two weeks to make up the work. After this time, the grade may revert to an F.

## WEIGHTED GRADE SCALE

For any grade weighted and advance placement course a student takes he/she will receive a weighted grade (see table below) for that course. The weighted grade appears on the transcript and is part of the cumulative average used for ranking. Refer to Course Catalog for weighted courses.

Grade Weighted:	Grade Regular	Weighted	Dual Enrollment & A.P. Weighting
A	4.0	4.5	5.0
B	3.0	3.375	3.75
C	2.0	2.25	2.5
D	1.0	1.125	1.25

Each quarter grade equals two-fifths of the semester grade and the semester exam equals one-fifth. For most subjects, grades are to be kept as a percent. The grade marked on the report card is to be a letter grade. Exceptions must be cleared with the Administration. Each semester average stands on its own merit. No yearly average will be determined. (+ and - are not included in calculating GPA, nor will they appear on report cards at the semester.)

### FINAL SEMESTER FOR SENIORS

- A. Any senior who does not complete course work required for graduation by the given deadline will not receive a diploma until work is satisfactorily completed. If the academic deficiencies are so numerous that the student is not able to complete the required work prior to the date of graduation, the student will not be allowed to participate in graduation related activities.
- B. A student will not receive a diploma if tuition and fees are not paid in full.
- C. A student will not participate in graduation related activities or receive a diploma until all disciplinary actions are completed.
- D. The Administration has the right to make exceptions wherever necessary.
- E. All students that meet QND graduation requirements are expected to attend Honors Convocation, Baccalaureate and Commencement ceremonies.

### GRADUATION REQUIREMENTS

A total of 25 credits will be required to graduate. Specific course requirements are listed in the Course Catalog. Underclassmen usually carry 6.5 credits. All seniors must carry a sufficient number of semester hours to fulfill all course and/or credit requirements for graduation with a minimum of 6 credits.

### HOMEWORK

QND believes that homework is an essential part of the educational process. Homework may take the form of additional guided practice or exercises, reading of material on a specified subject, in-depth follow-up of classroom activities, or independent project work related to the subject. Homework serves as an extension of classroom instruction, not as a substitution, and should benefit the students' academic progress and desire for continued learning.

### HONOR ROLL

An Honor Roll is published after each quarter. Students must have a 4.0 average for the "A Honor Roll". To be eligible for the "B Honor Roll" students may have no D's or F's and must have an average of 3.0. An incomplete grade in any subject(s) would disqualify the student for that Honor Roll. Seniors need grades in at least 6 credits, others in 7 credits.

If a student is taking a college course to count toward High School graduation, the grade for this course shall be calculated for GPA and Honor Roll purposes.

**Valedictorian and Salutatorian** Valedictorian and salutatorian status will be based on weighted grades. Transfer students from an accredited school may be eligible for valedictorian or salutatorian status. To qualify for Valedictorian or salutatorian, students must have attended Quincy Notre Dame for the six consecutive semesters before graduation (sophomore through senior year).

### STANDARDIZED TESTING

Incoming 9th Graders: ACT ASPIRE placement test  
 Sophomores: ACT ASPIRE achievement test  
 Juniors: Practice ACT, ACT PSAT/NMSQT, SAT

### WITHDRAWAL FROM COURSES

To meet graduation requirements ninth, tenth, and eleventh grade students must be enrolled in courses earning 6.5 credits; and twelfth graders in courses earning at least 6 credits. Withdrawal from a course implies that the student is responsible for replacing that credit.

- A. Once a course has begun, approval from the teacher, parent, and counselor are needed in writing for withdrawal from any course.
  1. Teachers may initiate withdrawal proceedings if the teacher feels that the student will be unable to complete the requirements for the course;
  2. Students may initiate withdrawal proceedings if they have legitimate reasons for the change (change in future goals; course is too difficult, etc.)
- B. Procedure for Adding and Dropping Classes
  1. Students wishing to delete or add a course must meet with the counselor to discuss the change desired. Course changes are to be completed during the first two weeks of school.
  2. The Schedule Add/Drop Form will be completed by the counselor and must be approved by involved teachers and parents.
  3. Final change approval does not take place until all forms are returned completed. A Class Admission Slip will then be issued for new classes added.
- C. Withdrawing from a Course In-Session. Any withdrawal after the first two weeks of a course is indicated on progress reports and on the permanent records as:

- WP - withdraw/passing, if the student has worked to capacity and is meeting class requirements. This grade appears on a student's transcript, but does not become part of the cumulative average.
- WF - withdraw/failing, if the student has failed to meet the course requirements. This grade appears on a student's transcript but does not become part of the cumulative average.
- D. Timeline for Withdrawal and Effects on Transcript Weeks 1 – 2: Withdrawal for any reasons with no record on transcript. Weeks 3 – 5: Withdrawal with a "WP" or "WF" with no effect on GPA. Week 6 to end: Any student withdrawing during this time slot will receive for that semester an "F" which will appear on the transcript.

## ATTENDANCE POLICIES

Attendance Rules - Daily attendance at school by each student is required; it is essential to the student's ability to learn and the overall quality of education received. School attendance is also important to future employers and college admissions officers who use attendance records as a means of determining an applicant's dependability and good citizenship.

- A. Reporting an Absence. If a student is absent from school, the parents are expected to telephone the office (223-2479) before 9:00 a.m. and explain the reason for absence. Phone calls will not be considered valid if they are made by the student or anyone other than a parent or guardian. If parents do not call, they will be contacted at home or at their place of business. If a parent should be out of town, he/she should write a note in advance about a temporary guardian. Absence from school due to illness should mean absence from after school activities. We ask parents who excuse their children from school not to allow them to attend dances or athletic contests that afternoon or night.
- B. Absence of Less Than a Full Day. A student who leaves school ill during the school day will be marked absent for each period missed. Parent permission is necessary before the student may leave. Also, if a student leaves school because of illness, he/she will not be allowed to participate in extracurricular activities that day or night.
- C. Defining an absence from class: An absence, different than a tardy, is recorded when a student misses 50% or more of a class period.
- D. Excessive Absenteeism. If a student is absent ten (10) or more periods per class per semester, the student might not receive credit for that class. School sponsored activities which take place during the school day will not count toward the ten 10 absences per period limit. If the student is absent because of a prolonged illness or extraordinary circumstances, the administration could make a decision regarding the makeup of work for credit. A doctor's note is required after 10 absences or at the discretion of the school administration. If a student is absent fewer than ten (10) periods, it is up to the individual teacher to assess the grade being given according to the method of determining the grade in that class. For example, if class participation is part of the grade and the student is missing from the class, then the grade would reflect this. After seven (7) absences the administration reserves the right to determine whether or not a student may attend school-sponsored activities based on his/her attendance record. School-sponsored activities include, but are not limited to, field trips. Fine arts events, athletic events/contests, etc.
- E. Attendance at Vo-Tech. Consult the Vo-tech policy.
- F. Excused Absences - Teens Encounter Christ Retreat, sickness, funerals, approved college visits, doctor and dentist appointments, family emergencies/situations are excused absences. Anything else is unexcused absence, unless approved by the administration. **Any academic work including, but not limited to, homework, quizzes, tests, etc. missed during an unexcused absence will be counted at 50% credit.** A written note from the parents or a parent call is required in the morning before school begins if a student needs to leave for a funeral, appointment, or TEC. The length of time to be gone should be specified.

**EXCUSES - It is recommended that medical, dental, business appointments, as well as family vacations or personal trips, be made outside school hours.** In the event that the student is to be excused for an important reason during the school day, he or she must send a written note from the parents to the Attendance Office. The student must report to the office on returning to the building. Upon returning, the student must check in at the Attendance Office.

**FUNERALS** - If a funeral takes place during a school day, students must have written permission from their parents or a parent must call the office before school. Students are responsible for making up all work missed during excused absences from school.

- G. Tardiness – Being on time is a lifelong skill that will help students both now and in their future. Students should make every effort to be on time to school. Failure to arrive on time can result in disciplinary action. Tardies are accumulated by semester. Rules regarding tardiness are as follows:
1. First Period: A student is considered tardy if he or she is not in first period by 7:45 a.m. If a student is late for school, he or she must report to the Attendance Office upon arrival. A student arriving after 10:15 a.m. would be considered ½ day absent. NOTE: IN ORDER TO PARTICIPATE IN A SCHOOL RELATED EXTRACURRICULAR ACTIVITY ON A DAY WHEN SCHOOL IS IN SESSION, A STUDENT MUST BE IN SCHOOL BY 10:15 A.M.
    - \* 1<sup>st</sup>/2<sup>nd</sup> Offense      Verbal warning from teacher
    - \* 3<sup>rd</sup> Offense            Letter home from Dean of Students
    - \* 4<sup>th</sup>/5<sup>th</sup>/6<sup>th</sup> Offense    Phone call home from Dean of Students/1 hour detention assigned
    - \* 7<sup>th</sup>/8<sup>th</sup>/9<sup>th</sup> Offense    **Phone call home from Dean of Students/1 hour detention assigned and will be served on Friday during the week of the most recent infraction from 2:30-3:30pm.**
    - \* 10<sup>th</sup> Offense            Phone call home from Dean of Students/1 day ISS. Student and his/her parent(s) will be required to attend a meeting with the Dean of Students to develop a behavior plan.
    - \* Additional Offenses could include, but are not limited to, additional detentions, ISS, or Saturday school and will be handled on a case-by-case basis.
  2. Classroom: Tardies to class periods 2 through 8 will be handled by the classroom teacher. The classroom teacher will set up a disciplinary code for tardiness to his/her class.
  3. Vocational-Technical: (Also consult Vocational-Technical Policy)
    - a. Any QND student who is late to a Vo-Tech class three times or more or is late to check-in time at QND after a Vo-Tech class will receive the same penalties as students who are tardy to QND.

- b. Any QND student who misses a Vo-Tech class without an excused absence will receive a disciplinary action agreed upon by QHS and QND administrators.
  - H. Truancy. Truancy is leaving the campus or being absent from class/study hall/lunch without permission. In case of truancy, the student's parents are notified. The parents must communicate with the Dean of Students or administrator before the student will be re-admitted to classes. The student receives no credit for work missed because of truancy. Truancy is recorded on the student's record. Additional truant situations may warrant more severe disciplinary actions. State law requires students to attend school until age 17.
  - I. Period Absentee Reporting. Attendance should be entered each period on the computer. Each teacher is responsible for verifying attendance each period. If there is a discrepancy between the information on the computer and the classroom attendance, the teacher should send a note or send the student in question to the main office.
- \* **Messages** - Students will not be called from classes for phone calls unless an emergency exists. Only messages from parents will be accepted. No messages from employers, friends, or siblings will be promulgated unless an emergency.

## CONDUCT AND DISCIPLINE CODE

### CLASSROOM CONDUCT

Students are expected to be attentive, courteous, and respectful.

- A. The students shall respect the person and wishes of the teacher, substitute, or one in charge at all times.
- B. Students shall respect the property of the teacher and should not approach the teacher's desk when he or she is not present.
- C. Students shall respect themselves and conduct themselves as Christians in all circumstances.

**CORRIDORS** - Running and general horseplay can result in injury of oneself and others; therefore, it will not be permitted. A detention may be given to a student who violates this safety rule. Students should keep to the right and keep moving as they move throughout the building.

### GYM

- A. Any student activities (dances, athletics, contests, assemblies) in the gym are an extension of the school. No alcoholic beverages, cigarettes, or drugs of any type are permitted. Our school is often judged by outsiders who visit for assemblies. Students are expected to be courteous and show respect for those taking part in the program and for those participating in athletic events.
- B. Only water is allowed in the gym. During the school day, food may not be taken into the gym. Exceptions to the above can be made only by the administration.
- C. At no time should a student grab or attempt to grab the rim or net on any basket in the QND or CYO gym. Also, dunking or attempted dunking of any ball in either gym is not allowed. If a backboard, rim or net is broken because of any of the above-mentioned acts, the student and the parents will be responsible for replacing the broken piece of equipment.

### INSIDE/OUTSIDE THE SCHOOL BUILDING

- A. Students shall not smoke within the building or on school grounds.
- B. Students going outside during lunch periods shall stay in the area of the front (north) walkway of the school or the area designated within the school (cafeteria or library). Students may not be on the parking lot without administrative permission.
- C. Any activities held under the auspices and supervision of the school are an extension of the school and students present are subject to the rules of the school (bus trips, field trips, community services, etc.).
- D. Use of School Grounds. Proper permission granted by the QND Administration, proof of insurance, and a ten-day advance notice are necessary for any use of the QND school grounds.

**BETWEEN CLASSES** - Students may move from one classroom to another only between class periods, unless they have a pass signed by the appropriate teacher. The bell rings to signal the end of the class, but the students are dismissed only when the teacher dismisses them. Time between classes is four minutes.

**SMOKING, DRINKING OR USE OF ILLEGAL DRUGS** - No student shall have possession of drug paraphernalia and/or drugs, or be using, or be under the influence of drugs (unless prescribed by a physician), marijuana, tobacco products including electronic cigarettes, vaping devices or alcoholic beverages. This applies to every situation, with the exception of an alcoholic beverage being served at religious functions, e.g. consecrated wine at Communion.

**STEALING** - Students who steal or who possess, sell or try to sell stolen material or who break into lockers, may be suspended from one to ten days and may be recommended for expulsion.

Any student found to be responsible for taking/stealing the intellectual property of a teacher, which includes exams, tests, quizzes, answer keys, etc. through any means—electronic or otherwise—will automatically receive a 0% for the assessment and will also receive an out-of-school suspension. Any work assigned during an OSS will be counted at 50% credit.

**PLAGIARISM POLICY:** defined as "to pass off ideas or words of another as one's own created productions without crediting the source; to present as new and original, an idea or product derived from an existing source"; it is dishonest and illegal.

This policy applies to anything that a student produces to be graded in any course of study. This includes—but is not limited to—research papers, term papers, reports, essays, creative works, oral presentations, etc. When using resources to gain information on a topic, whether from a written, spoken, or electronic source, credit must be given to the sources.

Penalty for plagiarizing may result in doing the assignment over, loss of points, a zero for the assignment, or additional consequences. Each case will depend on the teacher's discretion, in conference with an administrator.

**STUDY AREAS** - In order to maintain an appropriate academic environment, all study areas should be conducive to learning. Accordingly, no food, beverages, or cell phones will be allowed.

**TRESPASSING** - A student who is found in a school building or on school grounds during off hours without consent of school administration or a supervisor, will be considered trespassing. A student who has been suspended or expelled will be considered trespassing if on school grounds unless asked to come to the school by the school administration. An offender may be subject to additional penalties as determined by local law enforcement.

**WEAPONS - Possession, Use or Sale** - A student who brings a weapon to school, possesses a weapon of any kind at school, or represents any item as a weapon, will have his/her parents/guardians notified, be subject to suspension of up to ten days, may be expelled, and may be arrested. This includes weapons in student vehicles. Toy "look-alike" weapons used as real weapons to intimidate or frighten faculty, staff or students will be considered "real" weapons. Weapons or toy weapons used for a class presentation must be approved by an administrator and stored in an administrator's office. The use of a weapon or any device treated as a weapon, to threaten or attack another person will result in a suspension of ten days and the student will be recommended for expulsion.

## **STUDENTS WHO HAVE EARLY DISMISSAL**

- A. Students who have early dismissal and must remain for an after school activity, they may work in the library. They may not be in the classroom areas without permission.
- B. Any student who is failing one or more subjects may be required by the administration to attend a study hall instead of having early dismissal.

## **CONDUCT AND DISCIPLINE POLICY FOR EXTRACURRICULAR ACTIVITIES**

**Introduction** - Extracurricular activities do not fall within the scope of the regular curriculum, and carry no academic credit. These activities are a vital part of the total program of a school. Participation in these extracurricular activities is an educational experience for all students who participate.

Goals for the student activities program support the expressed objectives and general philosophy of QND. The goals of the program are:

- A. That students develop a sense of personal discipline and pride (of self, of activity, of school);
- B. That students learn the elements of and benefits of teamwork, cooperation, and group loyalty;
- C. That students earn a sense of accomplishment through involvement in learning activities outside the formal classroom;
- D. That students learn skills that will contribute to their ability to be lifelong learners.

**Statement of Purpose** - The aim of QND is to provide an orderly setting in which the benefits of education are provided for each student in the school. Student conduct that interferes with the work of the school or impinges upon the rights of other students is not allowed. This guide is designed for the purpose of maximizing the educational experience for each student and eliminating student conduct which is not conducive to that goal.

**Philosophy** - QND believes extracurricular activities are a vital part of the total program of a school. We believe that participation in these extracurricular activities is an educational experience and should be offered for all youths who attend QND. Therefore, the behavior of students involved in extracurricular activities on and off the school properties is very important. Participants in all extracurricular activities must maintain standards which cause all students and parents to be proud of their representatives.

The four years in which each student represents his/her high school in interscholastic and intramural extracurricular competition and those activities conducted under the auspices of the Illinois High School Association (IHSA) may be four of the most enjoyable years in his/her young life. As students compete, the school has local rules and regulations each must follow in order that extracurricular participation and competition is a profitable educational experience. The IHSA also has rules and regulations incorporated into the Association's constitution and By-laws to which students, as well as school personnel and fans, must adhere.

The Principal of the school is responsible to certify the eligibility of all students representing the school in any interscholastic events. Any question concerning eligibility must be answered by the Principal, who has available a complete copy of all IHSA eligibility rules. This copy includes the Association's due process procedure.

Extracurricular activities at QND are voluntary. Any and all students are encouraged to participate in any activity in which they are interested. Because of various requirements, some activities can only accommodate a specific number of participants. Such members may be determined by IHSA, nature of the activity, equipment available, and/or the judgment of the moderator or administration.

In such instances tryouts will be held for the number of positions available. Therefore, some students may not be chosen to participate in that particular activity.

One goal of the QND is to build success in each activity, but we also try to instill in the students a sense of personal discipline and pride. We must learn to have pride not only in ourselves, but in our activity and in our school. We attempt to build team spirit and club or organization spirit that encourages effort, self-sacrifice, dedication, preparation, and self-discipline for the good of the activity. Learning to work hard is perhaps the outstanding feature of the educational components. In extracurricular activities, the development of young people so they will become successful, productive, and positive adults is an outstanding feature.

We also believe that those students who are participating in extracurricular activities are not only representing themselves, but our high school and community as well. Therefore, QND students must present a good image by appearance and behavior. Each coach or moderator should discuss with his/her participants (on the first day that extracurricular activity begins) the rules and regulations and any other requirements of the organization.

**Athletic Goal Statement** - The athletic program will be conducted in an atmosphere which demonstrates respect for self and others, which sponsors good sportsmanship, and which values the fun and enjoyment of sport participation. QND adopts the IHSA Athletic Eligibility Rules.

The goal of the QND Athletic Program is to help participants achieve their athletic potential through development of the following: a healthy competitive attitude, good sportsmanship, knowledge of fundamental skills and strategies, teamwork, good work habits, self-worth, confidence, esteem, strong sense of one's own values, and personal values for good health.

In striving to accomplish these goals, one will have an opportunity to become a team member who can develop his/her athletic skills and potential and find joy and achievement in sport participation.

If the student and his/her parents do not agree to the evaluation and subsequent sessions, the student will not be allowed to participate in any extracurricular activities at Quincy Notre Dame High School. If the season ends prior to the completion of the suspension time, the suspension will carry to the next activity and will be based on twenty-five percent (25%) of that activity's matches, games, or dates minus the contests already missed from the previous activity. If the student under suspension is a sophomore, junior, or senior, he/she may not serve the suspension by signing up for an activity in which he/she did not participate the year before. ## DISCIPLINE

The Dean is responsible for administering and maintaining the rules of discipline at QND. The Administration is responsible for reviewing the codes of conduct and dress for QND students on a yearly basis. All students, foreign exchange students and student visitors must abide by all rules set forth by the student handbook and administration. The administration reserves the right to terminate the student exchange at any time.

**Philosophy of Discipline** - QND expects its students to abide by a code of conduct that reflects the Christian principles of the school and respect for the laws of the city, state, and country. Every QND student is expected to be courteous to all people. Adults must be addressed by their proper title at all times. Also, students and parents must realize that QND will not accept use or possession of alcohol, drugs and/or tobacco by any QND student. This would include look alike drugs and drug paraphernalia. Nor will QND condone any activity that is illegal, immoral, or unethical. The consequences for such activities are contained in this Handbook and emphasized and augmented by school announcements and bulletins. Although it is not the policy of QND to administer corporal punishment, behavior that is contradictory to school philosophy will result in disciplinary action taken by school officials.

**Inappropriate Conduct** - Any conduct that causes a disruption within the school environment is prohibited. Such conduct includes, but is not limited to:

- A. false and malicious oral or written statements, inappropriate electronic communications
- B. satanic drawings, symbols, references or any other inappropriate images
- C. sexual, racial, or other disruptive behaviors
- D. threats, pranks, hoaxes, or bullying (which includes cyber-bullying)

Violators will be subject to reasonable disciplinary action and may be referred to the appropriate law enforcement agency.

**Action for Misconduct Out of School or at Non-School Activities** - QND reserves the right to take disciplinary action when the conduct by any student, out of school or non-school related, brings disfavor upon himself/herself and/or the school. QND likewise reserves the right to take disciplinary action when a student's conduct is a serious violation of the teachings of the Catholic Church, such as deliberate defamation of others. Students will be held accountable for intentional harm they cause others. All such cases will be handled by the Dean of Students who will notify the parents as well as the student.

Any QND student who becomes involved with the police in connection with a violation of State liquor laws, or Federal or State narcotics' statutes, since such misconduct engenders discredit of the QND community, may be taken before the administration. Also included is any serious involvement with police (example - felony conviction). This does not include minor traffic citations. It is the belief of QND that rehabilitation and treatment may be necessary for students involved with the abuse of drugs and alcohol. Rehabilitation and treatment for other conditions (depression, suicidal tendencies, eating disorders, etc.) may also be necessary to help the student. The school administration does have the prerogative to insist upon treatment for readmission to and continued attendance at school.

## DISCIPLINARY ACTIONS

### A. DETENTION

1. Detention will be held after school starting at 2:30 p.m. and ending at 3:30 p.m. Exceptions will not be made for students with early dismissal. It must be served at the time assigned by the Dean of Students. Failure to report without permission of the Dean of Students may result in an additional detention.
2. Students in detention must be dressed in proper school attire and may not talk, eat, or sleep during this period of time. Cell phone use and/or personal music devices during detention is **strictly** prohibited. iPads may only be used for academic purposes.

A student may receive detention for the following reasons:

6. Disruption of class
7. Insubordination
8. Repeated infraction of dress code
9. Multiple tardies

- B. **FINE POLICY:** QND implements a fine policy for students who violate certain school rules. These are violations of school rules which are easily avoidable - "foolish" offenses. The student handbook is well delineated and failure to comply is simply irresponsible.

Names of students who violate the ordinance will be forwarded to the City so they may enroll the students in its counseling program
  2. Fines Administered as follows:
    - a. A fine slip will be completed by the staff member;
    - b. The fine slip will be given to the Dean of Students and recorded on the student's record;
    - c. The fine money will be collected by the Dean of Students.
  3. It would be safe to assume the fine system will deter students from repeated violations. The Administration may conduct a parent-student conference as needed if repeated violations occur. Administration reserves the right to issue additional consequences for continued repeat offenses.
  4. Collection Policy:
    - a. All fines must be paid to the Dean of Students within two weeks after receiving notice;
    - b. Failure to pay fines within two weeks from notification may result in the student being blocked from RenWeb;
    - c. Failure to pay fines by the end of the quarter will result in withholding of the student's official quarter grades until the fines are paid; if a student fails to pay fines by the end of the semester he/she may not be allowed to take semester exams, and/or final report cards may be withheld.
  5. Fine Monies Usage: The Administration will determine an appropriate usage for the collected fine monies. It shall be used in a manner which benefits the school population.
- C. **SUSPENSION:** The Dean of Students will inform the parents of the disciplinary action and will hold a conference with the student. **Suspension shall cause a student to be barred from classes and extracurricular activities for that day and evening.** The Athletic Director will notify the appropriate coach or moderator of that decision. The suspended student is responsible for subject matter covered in class and for tests. Indefinite suspension or out-of-school suspension may be imposed by the Administration. If an in-school suspension is levied, the student is required to do all assigned work during the suspension time. What is not completed must be done at home.
1. In-School Suspension (ISS): ISS will be held as needed. If a student is tardy, he or she will serve additional ISS time in the room the following day. ISS is a more severe punishment than detention or a fine. It is levied for repeated violation of school rules or more serious acts of wrongdoing. The Dean or Administration will assign the date of the ISS assignment. **Students may not rearrange their ISS simply to avoid missing an extracurricular activity.**

The following handbook violations may result in one day of ISS:

- a. Repeated refusal to comply with school regulations;
- b. Blatant disrespect of a staff member;
- c. Ten (10) tardies
- d. Truancy (A student absent from any part of a class or from school without the consent of parents and the approval of the school or teacher is truant.); **A student who leaves campus without permission will receive two (2) days ISS.**
- e. Destruction or flagrant misuse of school property (See "Care of School Property");
- f. Any serious act of disrespect as determined by the Dean of Students.
- g. Any other action judged by the Administration to be disruptive to the common good of the school;
- h. Stealing;
- i. Fighting - the day following the altercation (See OSS).

Rules for In-School Suspension:

- a. Students shall show up for ISS with all the books, paper, pens, pencils, etc. needed for the day;
- b. Each Student in ISS will be required to do three things: (1) complete a behavioral plan (form will be provided) related to the reason for the ISS. A copy of the completed form will be sent to the parents. (2) complete a supplemental/enrichment assignment for each class. This will not be related to the day's regular assignment. Failure to complete this supplemental/enrichment assignment will mean a loss of points for that particular day. (3) complete the assignment for that day in each subject. Any class assignment not completed during the ISS time must be completed that evening and turned into the teacher before school the next morning.
- c. Students currently involved in extracurricular activities may not practice, participate, or dress out in their team uniform the day of an ISS;
- d. Students will remain in the assigned room the entire day;
- e. ISS students are not allowed to have visitors;
- f. Students are not allowed to eat, drink, use cell phones, sleep, or listen to music while in ISS;
- g. Failure to attend ISS will result in OSS on the next school day and ISS on the following school day.

If a student fails to comply with any rules of ISS, the moderator will contact the Dean of Students. The parents of the student will be contacted by phone, and the student may be sent home for the remainder of the ISS day. The student and Dean of Students will meet the next school day and the student will be issued an OSS to be served on the next school day.

2. Out-of-School Suspension OSS. The following infractions will result in an automatic OSS, with the number of days to be determined by the Dean:
  - a. Failure to comply with the rules of ISS;
  - b. Fighting - the day of an altercation the student will be sent home for the remainder of the day (See ISS);
  - c. Possession, consumption, or any other use of tobacco, alcohol or drugs on school grounds may result in multiple days OSS;
  - d. On school grounds under the influence of alcohol and/or drugs;
  - e. Violent physical actions toward any staff member;
  - f. Other actions which the administration or Principal or the Principal's designee decides warrants OSS; NOTE: There will be a significant academic penalty for coursework missed during any OSS.

- D. **DISCIPLINARY PROBATION:** Students who display inappropriate behaviors or who have violated a serious school policy may be placed on disciplinary probation. Disciplinary probation may be assigned in addition to other school consequences as determined by the Dean of Students. The Dean of Students will set the conditions and length of the probation period. During the probation period, students will be expected to attend school, but may not attend or participate in extracurricular activities that include, but are not limited to, clubs, dances, events, sporting events/activities, music events/activities, etc. Other areas that may be affected are leadership positions and/or any other honors that might be given during that time. The parents will be notified when a student is placed on disciplinary probation.

Disciplinary probation is a contract between the student/parents and school officials. Failure to abide by the terms of the contract will result in additional punitive measures.

- E. **SATURDAY ISS:** The Administration may levy a Saturday morning ISS to any student who has earned multiple fines, detentions, and in-school suspensions. When negative behavior does not change, the Saturday morning ISS may become necessary.

- F. **EXPULSION:** The ultimate decision to expel a student shall be made by the Board of Directors through the appropriate committee of the Board. The decision shall be made after an informal hearing consisting of the student presenting his/her petition with response by the administration. **There shall not be a right of counsel for the student and only the student.** The Principal's designee, parents and appropriate witnesses may be present in addition to the committee and the Board's legal counsel, who shall act as legal advisor for the committee and the Principal's designee.

Expulsion is reserved for the most serious offense and/or repeated disregard of school rules. The student will be suspended from school until the final decision is reached by the Board of Directors. The suspension is an out-of-school suspension. A student may be expelled for the following reasons:

1. Excessive breaking of school rules;
2. Immoral conduct; possession and circulation of indecent literature images or videos; repeated immoral speech;
3. Selling of alcohol and/or drugs on school property/at school related activities;
4. Use and/or possession of alcohol and drugs on school property/at school related activities;
5. Participation in criminal acts;
6. Intentional harm of a staff member;
7. Weapons
8. Serious acts of harassment, bullying, or threats through any means possible, including (but not limited to) verbal, physical, and/or social communication methods.

- G. **POLICE QUESTION AND APPREHENSION:** When students become involved with law enforcement officers, the officer is to be requested to confer with the student when he/she is not under the jurisdiction of the school if this can be arranged.

1. In any attempt to contact a student at QND, upon arrival at the QND campus the officer shall immediately make contact with the Principal or his/her designee and identify him/herself.
2. Except as a last resort, and with approval of a police supervisor, QND students are not to be contacted or interviewed at the school regarding incidents that occurred off campus and/or do not relate to the school.
3. In giving such approval, police supervisors shall ensure that all other reasonable attempts to make contact with the student away from the school have been attempted without success.
4. A parent or guardian shall be notified immediately and informed of the intent of the law enforcement authorities.
5. A Student's parent or guardian has a right to be present if the conference is held at school.
6. If the student's parent or guardian cannot be located, authorities are not to confer with the student unless they produce a warrant or the matter is of a *serious nature* and demands immediate attention. Examples include—but are not limited to—when a delay in locating/contacting the student may result in flight of the student, loss of evidence, the commission of further serious offenses or would in some way jeopardize the safety of any person.
7. If there is a warrant or if it is impossible for the parent or guardian to be present and they request it, a school administrator should be a witness to the conference held at school.

#### H. **THREATS OR ACTS OF VIOLENCE**

Physical assaults are forbidden. All threats of violence will be taken seriously and students making threats will be disciplined in an appropriate manner.

## CONFLICT RESOLUTION, APPEAL PROCESSES, AND STUDENT GRIEVANCE PROCEDURES

QND has a chain of command procedure to resolve any conflicts. If there is a conflict involving a student and a teacher, the student should:

1. First discuss the issue with the instructor
2. The student should contact his or her school counselor if that meeting does not eliminate the problem
3. If not resolved the administration should be informed
4. The final level of communication is the Board of Directors

Any problems related to extracurricular areas should mirror the procedure above. The student should first discuss the problem with the coach/moderator. If the conflict continues, the student may contact the QND Athletic Director. From that point the student may contact the administration, first, and then the Board of Directors.

All appeal processes and student grievance procedures are based on the concept of fairness. Final decisions on all matters are made by the administration and/or the Board of Directors. Any appeals must be made to the administration within three school days of the school's action.

## RELIGIOUS FORMATION

**Campus Ministry** - Religious experiences beyond the classroom are integral to QND. These experiences are coordinated by the Administration, the Director of Christian Formation, and the religion teachers. These experiences include, but are not limited to, all school and class masses, prayer services and paraliturgical services, opportunities for reconciliation, speakers, religious counseling, vocation days, Catholic Heart Work Camp, HAFOC (Hands and Feet of Christ) and other community based service projects, etc. The all-encompassing goal is to prepare our young Catholic men and women to assume roles of service and leadership within the Catholic Church of the twenty-first century.

**Christian Service** - Students attending Quincy Notre Dame are expected to provide a minimum of ten (10) hours of approved school/non-for-profit organization/community service per year of attendance. Students will be issued a grade and .25 credit at the end of the school year for satisfactory completion of the Christian Service component. A=10 hours; B=9 hours; C=8 hours; D=7 hours; F=6 or less. A maximum of four (4) hours for any single organization is permitted per year, a maximum of four (4) hours that are sports, music, pom or cheer related are permitted per year. Completion date for service requirements is two weeks prior to final exams. Organizers of the event are the only authorized signatures that will be accepted on the form.

**Retreat Program** - Religion is not just a formal classroom study of doctrine. It encompasses a person's entire life and relationships. Religious experiences need to extend beyond the classroom. A retreat allows a person to focus upon his/her faith life removed from the scheduled responsibilities of school/work, etc. At QND, a time is set aside for each class to participate in a QND sponsored retreat experience.

The goals of this program are to develop in the students an attitude of self-worth, an appreciation for fellow human beings, awareness and understanding of the presence and action of God in their lives, and a sense of responsibility for and participation in the Catholic Church.

These goals are achieved through structured experiences providing a blend of formal input, varied prayer forms, personal reflection and individual as well as group sharing. A bonding is created among participants because of the sharing of faith life with classmates.

**Participation in the QND retreat program is mandatory for all students.**

In rare instances, as determined by the Administration, may a student not attend the QND sponsored retreat. A student who is unable to attend must complete a service related project that has been approved and accepted by the religion department chairperson and the Director of Christian Formation. Failure to attend a retreat and service will result in a grade reduction of 10% of the semester grade.

A student must complete the four-year retreat program at QND. The intensity of the retreats increases with year. All these experiences are coordinated through the Religion Department. Failure to complete the four-year retreat program may mean that a student, as a senior, will not receive a diploma.

A separate fee will be charged for each class retreat. This fee is to be paid with the resource bill in August.

## SCHOOL HEALTH & WELLNESS

**MEDICINE:** The purpose of administering medication in school is to help each student maintain an optimal state of health to enhance his/her education. The administration of medication to students should be discouraged unless absolutely necessary for the student's health. A health care plan shall be developed for any student who requires a long-term medication to be administered in school. Parents will be required to fill out a form, available in the main office, to permit a student to self-administer asthma medication or epinephrine auto-injector prescribed by the student's physician. Because of their "in loco parentis" status as set forth in 105 ILCS 5/24-24, school employees are afforded liability protection from negligence in the administration of medication and treatment in a school setting. **No internal medicine, other than what is approved through the Administration, will be given to any student. This includes pain relievers.**

**MATERNITY/PATERNITY:** QND affirms the moral teachings of the Roman Catholic Church including the teaching of the holiness and gift of life. QND takes a pro-life stance and upholds the sacredness of God's life in all of us, beginning at conception. When a student becomes pregnant, QND does not arbitrarily dismiss a student from school.

At the time a student becomes aware of parental responsibilities, he/she or the family must notify the school. Meetings will be scheduled with the student(s), parents, school's administration, and possibly the counselor. Regular classroom attendance will be based on the health, safety, and well-being of the student and the child as well as the best interests of the school community. In such a situation, involvement in extracurricular activities will be decided by the Administration of QND.

**AIDS:** Students with AIDS who are enrolled or who are seeking enrollment shall be permitted to attend QND. Students who are known to have AIDS will be individually evaluated by the administration, physician, and other professional personnel in order to determine if their behavior or physical condition poses a high risk or spread of the disease. One of the purposes of the evaluation is to prepare a specific plan for the education and care of the student.

The school will respect the right of privacy of the individual. Knowledge that a student has AIDS will be confined to those persons with a direct need to know. Those persons will be provided with appropriate information as well as procedures and precautions that may be necessary. Those persons will also be made aware of confidentiality requirements.

**COMMUNICABLE DISEASES:** The Principal shall notify the Department of Public Health when a student is sent home because of suspected communicable disease. In case of absence due to communicable disease, a release card from the Department of Public Health or a letter from the family physician indicating that the Department of Public Health regulations have been fulfilled must be presented when the student returns to school.

**VISION AND HEARING SCREENINGS:** Vision and Hearing Screenings are conducted each school year by the Adams County Health Department Certified Technicians. Grades tested are Pre-K, Kindergarten, 1st, 2nd, 3rd, 5th, 8th, and special education students from all grades. Referrals from teachers and parents in grades not normally screened are tested as well. Children who wear glasses or children who are under care of an eye doctor are the only students that are not tested. Vision and hearing screenings are not diagnostic tests, but are done to identify children who may have a vision or a hearing problem. Those children are then referred to the appropriate doctor.

## **ILLNESS/INJURY**

All 9th grade students are required to have a physical. Students entering school for the first time from out of state are required to have both a physical and an eye examination. Those students not current with these requirements by October 15 of the current school year will be unable to attend school from school until these requirements are met.

If a student becomes ill during the school day, he or she is to report to the Attendance Secretary or the Main Office. A parent/guardian will be contacted. If the student is too ill to remain in school, he/she will be sent home.

Any student who is injured during the school day while on school property should report such injury to the Attendance Secretary as soon as possible. All bills related to the injury are the responsibility of the family through its own insurance coverage or school insurance, if it has been purchased by parent. It is mandatory that the student have school or private insurance.

Injuries sustained while participating in athletics either at practice or in competition should be reported immediately to the coach of the team. In case of injury, no student is to leave the campus without first checking out through the office or through the coach.

If any injury is deemed serious, an ambulance will be called and parents/guardian will be contacted. A log is kept in the office which includes names, dates, circumstances of injury and action taken. The faculty/staff person apprised of the accident is responsible for giving this information to the secretaries using the form found in the main office.

**Insurance** - Student insurance is offered during the first week of school. The necessary forms are provided by the school. This program is voluntary. All athletes and members of Pom Pon and Cheerleading squads must have school insurance or proof of family insurance. See Certification of Medical Insurance and Indemnity Agreement.

## **SCHOOL SAFETY**

### **ASBESTOS MANAGEMENT POLICY**

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) and the Board of Education of the District, this notification has the intent to inform workers, building occupants and their legal guardians of activities related to asbestos containing building materials in the school. Copies of the inspection reports and the management plans are available for inspection during normal office hours at QND. Periodic surveillance is conducted at least every 6 months as long as asbestos materials remain in the building. QND will continue its efforts to maintain all asbestos containing materials remaining in an intact state and undamaged condition. School maintenance and custodial personnel have received the required asbestos awareness training.

### **EMERGENCY SITUATIONS – CODE RED, EARTHQUAKE, FIRE, TORNADO SAFETY PROCEDURES:**

Directions for each evacuation/safety procedure are posted in the classrooms.

#### **DISASTER PLAN FOR TORNADO OR SEVERE WEATHER: NO ADVANCE WARNING**

Students and staff should move away from open doorways and windows and take a protected position. Faculty members and staff will direct students in their care to designated areas of safety. Silence should be maintained so that vocal directions can be heard.

#### **DISASTER PLAN FOR TORNADO OR SEVERE WEATHER: ADVANCED WARNING**

After hearing the announcement over the PA regarding severe weather, students will be directed to the most structurally sound areas of the building where they will remain until it is safe to return to class.

#### **QND EARTHQUAKE PROCEDURES**

Purpose: Drop, Cover and Hold are used when an incident occurs with little or no warning. This action is taken to protect students and staff from flying or falling debris resulting from explosions, structural failures, severe weather or earthquake.

Inside, teachers will instruct students to duck under their desks and cover their heads with their arms and hands. All students and staff who have moved to shelter or safe areas in the building in response to severe weather, should kneel down against the wall and cover their head with their arms and hands. Teachers will instruct all gym students and students outside the building to drop to the ground, place their heads between their knees and cover their head and eyes with their arms and hands. Instruct everyone to move away from windows. Teachers should account for their students and report any student missing to the administration. School Administrator may order an evacuation if the situation warrants and it is safe to do so.

Bullying is a type of harassment that involves some sort of force, whether overt or subtle. Verbal harassment involves derogatory comments, jokes, or slurs about a person's gender, race, religion, ethnic origin, physical characters, sexual preference, or family. Physical harassment involves unwanted physical contact, assault, deliberate impeding or blocking movements, and any intimidating interference with normal activity or movement. Visual harassment involves derogatory, demeaning, or inflammatory material, such as posters, cartoons, writing, artwork, and gestures. In all such cases, the administration will take the proper disciplinary actions to correct such behavior.

## CONCLUSION

The Board of Directors implements this policy consistent with the overall Catholic mission of QND and will enforce it consistently with the same spirit and purpose.

## STUDENT LIFE

### CLASS ACTIVITIES

A class activity is one in which a majority of the class is participating. For any class activity, in or out of school, the activity must be added to the school calendar by a member of the administration. At least one faculty moderator must be present at all times with other chaperones as needed. Class funds may be used for class activities only as directed by a majority of class members and approved by the class moderator and administration.

### PUBLICITY/ PHOTOS

Enrolling your child in the school assumes a photo can be used for publicity. (Please see the form at the end of this booklet.) If you do not wish your child's photo used in this manner, please notify the main office in writing of this decision.

### FIELD TRIP AND OFF CAMPUS ACTIVITY

**Field trips are a privilege. Students may be denied participation due to lack of academic effort, improper behavior, and/or delinquent tuition. Field trips should be educational or service oriented in nature.**

Required of students going on field trips:

- A. Field trip-form signed by parents. (A copy of the Field Trip Permission form can be found on QND's website.)
- B. Students are responsible for all work and tests missed. Students must contact their teachers for any make-up work prior to going on the field trip. As a general rule, work and tests must be turned in ahead of time or at the discretion of the teacher.
- C. Permission, in writing, must be secured from parent(s) or guardian of students who go on scheduled trips. Information to the parent(s) or guardian will include the date, purpose, destination, expected student behavior and time of return.

## DRESS CODE AND GROOMING

Education must teach students how to present themselves favorably to the public. The rationale for the QND dress code is twofold: (1) to produce a more consistent and focused learning environment and (2) to prepare students for future situations where formal dress is expected and necessary.

- A. Modesty, neatness, and cleanliness are most important.
- B. Attire should be modest, in good taste, and suitable for the classroom situation. Attire for extracurricular activities, including practices, must also be modest, in good taste, and suitable.
- C. Young ladies will have two (2) options for their tops:
  1. A collared polo top (if unbuttoned more than two (2) buttons, a crew neck t-shirt must be worn underneath)
  2. A collared button-down blouse (if unbuttoned more than two (2) buttons, a crew neck t-shirt must be worn underneath). **A blouse/shirt needs to be buttoned, of a reasonable length and cannot be worn as a jacket. Transparent/translucent blouses, camisoles, v-neck, scoop-neck tops and tank tops are not permitted.**
    - A sweater may be worn over a polo or button down blouse. All shirts must be modest and cover the midsection at all times. A t-shirt alone will not be allowed, as collars are required.
    - **All shirts must have short or long sleeves. Sleeveless shirts are not allowed. In addition, when wearing a short sleeve shirt, students may not wear long sleeves underneath.**
- D. Young men will be required to have collared shirts tucked in at all times. Young ladies and young men will not be allowed to wear bowling/work/uniform style shirts, athletic sport shirts/jerseys with writing during the school day or any other shirt with writing. Young men will wear a polo or button down oxford shirt. A sweater may be worn over a polo or oxford button down shirt.
  - **All shirts must have short or long sleeves. Sleeveless shirts are not allowed. In addition, when wearing a short sleeve shirt, students may not wear long sleeves underneath.**
- E. All students should wear appropriate pants or slacks. Jeans, camouflage clothing, leggings worn with a long top, yoga pants, Joggers (elastic ankle or drawstring pants) and bib overalls are unacceptable. Shorts of any kind are not allowed during the school day. Capris that fall below the knee will be allowed for young ladies. If a student has an athletic brace, lightweight long pants must be worn with the brace. Pants may not be rolled up.
- F. **Girls may NOT wear skirts, jumpers, or dresses.**
- G. Students may wear tennis shoes, dress shoes, boots, or dress sandals with a back to prevent them from slipping off. Athletic type sandals, molded shoes (Crocs), beach shoes with rubber soles (flip flops) or bedroom slippers may not be worn to school. Boys must wear socks.
- H. During the regular school day, QND sweatshirts and QND jackets (without hoods) are permitted. In addition, fleece pullovers and ¼ zip pullovers are permitted if they are navy blue, Vegas gold, white, gray, or a combination of these colors and have the QND logo visible. No other sweatshirts or jackets are allowed.
- I. Hats, coats, any coat or jacket with a hood, sleeveless coats/quilted outdoor vest-like jackets are not to be worn during the school day or carried around. They should be stored in lockers. Any extracurricular apparel for teams and other student groups will need to be approved by the Dean of Students. All appropriate jackets, sweatshirts and sweaters must be worn over a collared shirt. Should a student have an existing jacket or sweatshirt that is consistent with the parameters outlined above, he or she must have the QND logo on his/her jacket or sweatshirt for it to comply with our dress code.

- J. **Alternate Dress Code Days:** During the school year, students will be informed of alternate dress code days, such as Raider Pride Days or special occasions. The administration will communicate what is acceptable on such days. If a student chooses not to participate, the normal school dress code is in force. Students or parents who are in doubt about an outfit should get it approved before it is worn to school.
- K. Hair color should be uniform in appearance and consist of natural shades including blonde, brown, black and natural red in order to not be a distraction. In addition, a student's haircut/style should also be neat in appearance and not be a distraction. The Dean of Students will make any final decisions regarding the appropriateness of both hair color and haircut/style. Students may be asked to immediately correct any hair color, haircut/style or appearance that is inconsistent with the school's expectations listed above.
- L. Visible body piercing other than traditional earrings is prohibited.
- M. While attending school and/or representing QND, visible tattoos are prohibited.
- N. **Sports teams must have permission from the Administration before wearing their uniform, warm-up, etc. to school. This decision will be made on an individual basis.**
  - a. All athletic jerseys, warm-ups, etc., must be worn with a collared shirt underneath.
  - b. Cheerleaders and pomers will be required to wear their uniform pants as part of their uniform during the school day. No sweatpants will be allowed.
  - c. Other uniforms will be discussed with Administration before permission is granted.
- O. Mass Days – All students will wear school dress code outfits for Mass. Our goal is to attend the school liturgy with an attitude of modesty, respect, and adoration for the Eucharist.

The fine system outlined in the student handbook will be used to enforce the dress code. If the student's attire is unacceptable regarding modesty, he/she will be expected to comply with the dress code that same day. **Parents may be called to bring in appropriate clothing items.**

### DRESS CODE FINE POLICY

- A. 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> offenses: \$5.00 fine;
- B. 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> offenses: \$5.00 fine and detention;
- C. 7<sup>th</sup> offense: \$5.00 fine, parent phone call, and ISS

NOTE: Dress code fines are cumulative throughout the entire year. Fines are due two weeks after the infraction. Failure to pay may result in being blocked from RenWeb, holding official grades, and/or not being allowed to take final exams.

### DANCE POLICIES

QND students and their guests will be admitted to dances. Only what is deemed appropriate dancing will be allowed at all QND school dances. If a student continues to dance inappropriately after being warned, the student may be asked to leave. Also, students and/or guests may be removed from the dance for disorderly conduct, fighting, refusal to comply with the requests of the faculty moderator, chaperone or policeman; and for possession of or being under the influence of liquor or drugs. Once a student leaves a dance, he or she may not return to that dance. If an emergency exists, the student must check out with the faculty moderator before leaving the dance and upon returning to the dance. The school is not responsible for any article lost while the owner is attending a dance.

All music machine contracts must be signed by an adult, the moderator of the organization. The music machine manager must sign a contract with Quincy Notre Dame. This contract stipulates that only band members or music machine operators (as stated in the contract) will be in the band area and that there will be no alcoholic beverages or drugs on the premises. A band or music machine owner who breaks this contract will be sent a letter stating how the contract was broken and informing the manager that his band or music machine will not be allowed to play at Quincy Notre Dame for at least one year. A receipt will be issued at the time of payment. The band or music machine operator(s) must obey school official requests for appropriate songs, language, and lyrics. Failure to abide by such requests may mean a stoppage of the music and nonpayment for remaining time of the dance.

At least three (3) faculty moderators must be present at the dance at all times. In addition, several parents are needed as chaperones for each dance. One building administrator will be in attendance at each dance.

A police officer should be hired to watch the parking lot the entire length of the dance. If an officer is not available, a chaperone must be in the parking lot at all times.

The gym and any other areas open to students during the dance must be cleaned, all doors secured, and all lights turned off at the end of the dance.

### ELECTRONIC DEVICES

- A. The use of cell phones by students during class periods is prohibited. Cell phones must be stored in lockers during the school day if brought into the school building.
- B. Students may use cell phones during their lunch periods.
- C. Cell Phone Infractions/Consequences:
  - 1<sup>st</sup> Infraction: Cell phone is confiscated and given to the Dean of Students. The cell phone will be returned at the end of the School day. Dean calls parent/guardian.
  - 2<sup>nd</sup> Infraction: Cell phone is confiscated and given to the Dean of Students. Dean calls parent/guardian. A parent/guardian must pick up the phone from the Dean of Students. Student receives a \$10 fine.
  - 3<sup>rd</sup> Infraction: Cell phone is confiscated and given to the Dean of Students. Dean calls parent/guardian. For one week, the student's cell phone will remain with the Dean of Students throughout the school day. Student receives a \$10 fine.
  - 4<sup>th</sup> Infraction: Cell phone is confiscated and given to the Dean of Students. Dean calls parent/guardian. A parent/guardian must pick up the phone from the Dean of Students. Cell phone privileges are lost for the remainder of the school year. Student receives a \$10 fine.

- D. All watches, including Smartwatches, will need to be placed on the teacher's desk during an assessment—exam, test, quiz, etc. The watches can be picked up at the end of class, once all assessments have been collected and secured.
- E. Personal Laser Pointers: The use of laser pointers or other similar items is prohibited.
- F. The use of personal earbuds/headphones is prohibited during class periods unless specifically designated as acceptable by the classroom teacher for academic purposes. Earbuds/headphones should not be used or visible during transition times. The use of personal earbuds/headphones is permitted during the student's lunch period.

### **GYM USE**

Requests for use of the gym should come to the Athletic Director who will schedule all usage of the school's gymnasium. Any non-school use must meet guidelines as determined by the School Board. A moderator must be present at all times during any activity in the gym.

### **STUDENT AUXILIARY FUNDRAISING ACTIVITIES**

Fundraising activities must be applied for through the Athletic Director's office. Each organization is allowed a maximum of two approved fundraising activities. Additional fundraising activities that are service-oriented as deemed by the Administrative Team (examples: working at the Knights of Columbus Barbeque or the Gus Macker Tournament) may be permitted. A form is still required for service-oriented activity. Penalties may be levied against any organization that does not comply with the following rules:

- A. Request forms must be submitted a minimum of 30 days before activity is to occur.
- B. The funds raised by the activity must be used to benefit the majority of the members of the organization or must be used to benefit the school.
- C. Funds are kept in an account with the Business Manager.
- D. All fundraising activities will have a beginning and finishing date.
- E. Any organization related to athletics must follow the guidelines set by the Athletic Director, the Athletic Committee, and Administrative Team.
- F. Fundraising requests forms can be submitted anytime. Blackout periods, such as during the Annual Fund Drive Kick Off Breakfast through Commitment Sunday, will be enforced. No organization may proceed without written permission from the Athletic Director.

Publicity - Extracurricular activities should be published whenever possible. All information about all activities should be given to an administrator.

Procedure to be followed for auxiliary fund-raising:

- A. Fill out Basic information on Special Fund Raising Request Form which may be obtained in the main office. For those groups under the auspices of the Athletic Department, all requests must be approved by the Athletic Director.
- B. Consult with the Athletic Director in regard to your request.

### **VISITS TO COLLEGES**

Seniors, juniors and parents are encouraged to be aware of the numerous college-visitation weekends as posted on bulletin boards. If it is necessary to visit a college on a QND school day, a student is granted no more than two (2) excused absences per year during their junior and senior year for this purpose. Although excused, these still count as absences on the attendance record. The following procedure is to be followed:

- A. Students need to contact teachers and the attendance office prior to each college visit.
- B. To maximize getting the most information possible, contact the college for an appointment.
- C. Students are responsible for all work missed. College visits by seniors should be scheduled before April 15 or end of Easter vacation, whichever comes last.

### **VISITORS**

Any person who visits QND during normal school hours must first stop at the Attendance Office at the entrance of the building and sign in.

## **STUDENT ORGANIZATIONS AND EXTRACURRICULAR OPPORTUNITIES**

## **NATIONAL HONOR SOCIETY**

The National Honor Society (NHS) recognizes students who have achieved a high degree of excellence during their years at QND. Students who have a 3.5 cumulative grade point average after their junior year are eligible for membership. Scholarship alone, however, does not guarantee membership into the organization. Additional criteria for membership include character, leadership, and service.

Eligible students are asked to complete an application that contains pertinent information including a list of their school and community activities. When completed, the application is given to the moderator. The moderator, in conjunction with the school's administration, determines membership based on a student's application. Students who become NHS members are required to complete service hours beyond the 10 required annually of all QND students. Failure to maintain the standards required for selection and/or failure to complete the service requirements may mean supervision and/or dismissal from the NHS.

## **SOCIETY FOR ACADEMIC ACHIEVEMENT (SAA)**

The Quincy Chapter of SAA, an international secondary school honor society, was founded in 1959 by civic and medical organizations. The main purposes of the society are to motivate youth to achieve excellence and to honor them for this achievement.

In order for students to receive a scholarship letter, they must obtain a minimum grade point average of 3.5 for the previous two (2) semesters or for the seventh semester their senior year.

Students may receive one scholarship letter and certificate - then a special seal will be provided to be placed on the certificate for each additional year up to three seals. In order to be eligible for the SAA award membership and to receive an invitation to the Senior Banquet, students must have a cumulative average of 3.5 for the first seven semesters of the high school course. Students become a cum laude member if they have a cumulative average of 3.80.
