Dr. Melissa Griswold lives in Quincy and has had three daughters graduate from QND. She completed her PhD in finance from the University of Nebraska-Lincoln after attending Western Illinois University for her BS and MBA. Melissa has taught finance for over 25 years and is currently an Associate Professor of Finance for Maryville University in St. Louis.

Melissa is touring high schools to talk with students and parents about strategies for making the most out of the college experience while keeping student loan debt to a minimum. Topics will include: matching your student loans to your career, types of student loans, parent PLUS loans, the impact of student loan payments on future budgets and credit scores, reducing the cost of attending college and more.
