THE CAMPAIGN FOR QUINCY NOTRE DAME

At a blessing and dedication ceremony on August 15, 2018, the Quincy Notre Dame Foundation announced that The Campaign For Quincy Notre Dame exceeded its goal of \$6 million, raising a total of \$6,418,568. The expansion and renovation,

which broke ground in June of 2017, is the largest fundraising campaign in the history of the school.

“We were very strategic in our approach and, in the end, met all of our goals on the fundraising and construction side. This is quite a transformational moment for Quincy Notre Dame,” said Kurt Stuckman, QND Foundation executive director. “We had many tremendous volunteers that believed in this campaign and stepped up to make it happen.”

The campaign expansion plan included the construction and completion of the East Wing housing two new science labs to serve chemistry, physics and biology, an expanded physical science classroom, two additional classrooms, a new principal’s office and two guidance counselor offices. In addition, completed campus

revitalization projects included renovating public restrooms and electrical power supply, upgrading HVAC systems and constructing an athletic concourse.

“The new classrooms and expanded science labs will provide an updated environment in which we are able to learn,” said Katelyn Nelson, QND senior. “This not only helps current QND students, but paves the way for future students to continue to receive a tremendous education at QND.”

The expansion campaign received a total of 417 gifts, of those, 263 were from QND alumni. The single largest gift to the campaign was \$500,000. The average silent phase gift was \$27,000. The average public phase gift was \$1,000.

Five years after the planning began for The Campaign For Quincy Notre Dame, the QND Foundation has surpassed the fundraising goal and in turn has revitalized the campus, increased hands-on learning opportunities for students in the new state-of-the-art science classrooms, secured the long-term stability of QND through endowment growth and sustained financial growth and affordable tuition.

“It is very important that our QND supporters know how thankful we are for their selfless giving. Current and future students will be able to reap the benefits of our donors’ generosity,” stated Mark McDowell, QND principal. “This new chapter in QND’s storied history will pay dividends for generations.”

QND FINE ARTS DEPARTMENT

The Quincy Notre Dame Concert Chorale, accompanied by their director Monica Scholz, accompanist Susan Schmitz and several parent chaperones, traveled to Nashville, Tenn., April 13-15, 2018, to participate in a Worldstrides Heritage Music Festival. The choir attended a choral workshop at Tennessee State University and took in a show at the Grand Ole Opry on their first day of the trip.

They then traveled to Brentwood High School in Tennessee where they participated in the adjudicated choral festival, receiving a short workshop and input from choral experts from around the country. Everyone enjoyed the festival dinner and awards ceremony at the Dixie Stampede and had the opportunity to meet music students from schools all over the country.

The Concert Chorale was awarded second place in their school category, and achieved “Gold” status, securing a second invitation to participate in a Festival of Gold, including the festival at Carnegie Hall.

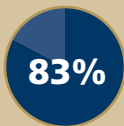

QND’s Mac Little ‘18 was awarded the Ovation Award, given to a student, recommended by their teacher, who exemplifies dedication to their choral program, leadership and service.

They returned home after creating wonderful music and memories.

HANDS AND FEET OF CHRIST

Quincy Notre Dame students have the opportunity to participate in many religious experiences outside the classroom. One of the longest standing faith opportunities at QND is the youth group Hands and Feet of Christ (H.A.F.O.C.), which began in 2004. This group, under the direction of Mike Young '98, QND director of Christian formation, meets one night a week in the QND chapel and engages in worship, song, faith sharing and small group discussions.

The small groups are led by adult group leaders who walk side by side with our students to help them in their spiritual growth. They serve as a resource to help students as they go through struggles not only in their faith, but in their life as well.

“H.A.F.O.C. has deepened my relationship with God on all levels,” stated Katie Schuecking, QND senior. “Every time I walk into the chapel and sing along to our worship songs, I fall in love with God all over again.”

Approximately fifty QND students attend H.A.F.O.C. each week along with many alums that come to share in the experience. H.A.F.O.C. is a safe community for QND students to challenge each other in their faith life.

▼ QND hosted an **AREA-WIDE MASS** on September 25, 2018, with the four Quincy Catholic elementary schools and St. Mary’s in Mt. Sterling. The Mass brought together over 1,500 students, faculty, staff, family and friends to celebrate the gift of Catholic education.

QUINCY NOTRE DAME FOUNDATION

Providing the Means to Keep Tuition Affordable

MESSAGE FROM EXECUTIVE DIRECTOR

The Quincy Notre Dame Foundation had the distinct honor of kicking off the 2018-19 school year by unveiling the newly constructed East Wing thanks to the success of The Campaign For Quincy Notre Dame. We are able to see our hard work paying off through the many benefits the new science labs and classrooms now offer our students. The QND Foundation is forever grateful to all the generous supporters and volunteers who stepped up to support the campaign and the students of QND!

Raider Pride Planned Giving Society

The success of our school is directly related to strategic planning and now that the capital campaign is over, there is no better way to plan for the future of our school than to promote the Raider Pride Planned Giving Society.

During our capital campaign fundraising, we had over 20 new donors come forward and make the decision to remember QND

in their estate planning. The best part of leaving a gift in your will is the fact that the gift is not something you have to give during your lifetime.

How does a gift left in your will impact QND? Simply put, it solidifies the future of QND and can create a legacy for you or a special member of your family. It can help the QND Foundation build our endowment for the future, or, if specified, it can help us with a specific project or enhancement of our campus all benefitting our students.

The Raider Pride Planned Giving Society was created to honor those individuals who have shown uncommon commitment to QND through gift planning. We are extremely grateful to the current members and have their names listed prominently in the front lobby on our Raider Pride Planned Giving Society recognition board.

I ask you to consider joining this elite group of more than 55 individuals in leaving a legacy that will impact our students for many generations. Please contact me for more information about how you can be recognized for supporting the mission of our school through planned gifts.

THE MARTIN "MARTY" E. PETERS SCHOLARSHIP

The Martin "Marty" E. Peters Scholarship was established through the Quincy Notre Dame Foundation in July 2018. The scholarship was a way to honor the life and legacy of Marty through QND. Marty was a 1975 graduate of Catholic Boys High School. He was an accomplished athlete during high school and was inducted into the Quincy Notre Dame Hall of Fame for football in 2002 and for baseball in 2010.

Marty was a loving husband, father, grandfather and friend and gave his all to his family and was very proud of the achievements and talents of his children. Marty had unending energy and an amazing work ethic. He was co-owner of Peters Heating and Air Conditioning and worked hard to help build the company to what it is today, expanding it to eight locations throughout Illinois and Missouri.

The intent of the Martin "Marty" E. Peters Endowed Scholarship is to provide financial assistance to students and families aspiring to attend QND. Marty understood the importance of Catholic secondary education in Quincy and his Raider Pride will live on through his scholarship.

The QND Foundation manages over 140 scholarships that represent over \$190,000 annually toward tuition assistance to QND students. Should you have an interest in starting a scholarship for your class or a family member, do not hesitate to contact Kurt Stuckman in the Foundation office at (217) 224-2598.

QND is honored that the Sparrow family designated Flo's memorials for the replacement of the padded wall.

QUINCY NOTRE DAME FUND DRIVE

As we embark on 2019, we look at ways to continue to expand the opportunities for our students while managing the cost of doing business. We have been blessed to see so many transformations at our school over the past several years. We realize the importance of the QND Fund Drive in order to sustain and build on this progress.

This year marks the 42nd year of the fund drive which has raised over \$13 million to support operations and tuition assistance for QND students. Simply put, without the success of the fund drive, QND would not exist. So how do we grow the fund drive? Did you know you can donate to the fund drive more than one time a year and at any time? Would you consider a gift in the spring and the fall? What a great way to impact the lives of each and every student. Thank you for considering a donation to the QND Fund Drive.
