

Introduction to Health Careers

(in partnership with *Southern Illinois University School of Medicine*
and other local healthcare providers)

Join us to interact with various area healthcare professionals to learn about their roles in the healthcare system, job demands, potential salaries, programs of study leading to health careers, and advice for choosing classes. Hands-on activities will be offered as well! Lunch provided.

West Central Illinois AHEC is partnering to offer scholarships for the Introduction to Health Careers class for both Quincy and Pittsfield locations to all participants not qualifying for John Wood Foundation Scholarships. Registration is required for scholarship purpose.
