

Classroom Connection

- *Get Caught Up*
- *Get Assistance*
- *Get Ahead*
- *Get Into the Habit of Success*

Parents:

- **Does your student need help organizing time?**
- **Does your student need a place to finish work where resources and support are available?**
- **Does your student need an opportunity to get work completed or prepare for an assessment?**
- **Does your student need to make up missed work?**

Again this year, Quincy Notre Dame will offer an after-school opportunity for students who need a place, a time or guidance for becoming successful with their learning.

Monday, Tuesday and Thursday of each week, for 1 to 1.5 hours after school, one or two teachers will supervise students who wish to take advantage of this program. Students are welcome to attend as often as needed. We would also like for parents to work in cooperation with teachers to direct students who are at risk of being unsuccessful. Students will sign in and out and a record of their attendance and activity will be logged. A parent may contact Mrs. Kasparie at any time to check their student's attendance.

This year, teachers may recommend that your student attend Classroom Connection on a temporary basis:

- To catch up on missed work due to absence
- To prepare for assessments
- To complete work that is incomplete or missing
- To get assistance on a particular lesson

In such cases, Mrs. Kasparie will contact the student and the parent to inform them that a request has been made by a teacher.
