*words*

When you read my words, I hope you find love and encouragement. I hope you find a friend within the strings of letters running across the page. I hope that with every piece I write, you find yourself believing in yourself a little bit more. I hope that I can convince you that you are more beautiful than you could imagine. I hope that I can convince you that you are worth it and that you are doing better than you think... I write because in the world of hearing *you can't*, I want to be the voice that says, *you can*.
